Challenging what is and inspiring what could be,
we develop leaders and organizations that
contribute to a more prosperous, sustainable and
inclusive world.

About the Institute for Management Development (IMD)

We are an independent academic institute with close ties to business and a strong focus on impact. Through our Executive Education, MBA, Executive MBA, and advisory work we help leaders and policy-makers navigate complexity and change.

We support the transition to a new model that balances prosperity and growth with ecological sustainability and social inclusion. Sustainability and diversity, equity, and inclusion are in our DNA.

We combine a deep understanding of human dynamics with a pioneering approach to technology and AI. We deliver powerful learning experiences for individuals and teams across the globe.
