

Impact Report

DECEMBER 2019 – DECEMBER 2020

Report.

A Global Community of Philanthropy

We bring together people and organizations that are passionate and dedicated to the progress and prosperity of our local communities and Romania. We create a global community* where one can connect with like minded people that want to contribute. We preserve our national identity through philanthropy.

*The number of all Romanians abroad is estimated at about 4-12 million people.
